TERM 2 ISSUE 5 – JUNE 2016

ROMAN VACATION

Congratulations to Max Cleversley who has been awarded the prestigious *Mama Iena and Dino Gustin Foundation Scholarship* at a Public Education Foundation Award Ceremony at Sydney Town Hall.

This scholarship is for high school students to undertake an intensive Italian language course in Rome during summer holidays. Max who studies Italian through distance education went through an extensive selection process, including an interview with the selection panel. Max was able to demonstrate his aptitude and real interest in both the language and culture of Italy.

The scholarship will include a five-week intensive Italian language course in Rome, return airfares from Sydney to Rome and home stay accommodation.

"It is an amazing opportunity and I am very excited about receiving this scholarship and immersing myself in the Italian culture. I would like to thank my Italian teacher, my parents and Macksville High for their support."

Well done, Max!

FROM THE PRINCIPAL

Dear Parents and Community,

Congratulations to Max Cleversley in Year 11 for being awarded the prestigious *Mama Lena and Dino Gustin Public Education Foundation Scholarship*. Max will be spending the end of year holidays in Italy immersing himself in the culture and language – an excellent way to develop his skills as he studies Italian for the HSC.

Congratulations to Sarah Welsh in Year 12 who was presented the inaugural Governor Sword of Honour for Excellence. She is the first recipient of this prestigious award for her work in the Australian Air Force Cadets, and it was presented to her by the Governor of NSW, Mr David Hurley.

Congratulations also to Grace Single and Callum Caesar who have been awarded scholarships with the Roads and Maritime Services to support Indigenous students with their HSC studies, and a work experience program with the RMS.

Layla Maloney and Brittany Williams will be attending the UNSW Indigenous Winter School's Performing Arts program during the July holidays. It is wonderful to see that our students not only have the opportunity to apply for these programs, but also how successful they are.

We had fantastic weather for our Athletics Carnival at Scotts Head, with a focus on participating and having fun. It was great to see so many students competing in the many events and having fun. A significant number of students will move onto the next level of competition. Thank you to Mr Aaron Parker for his organisation to allow events to run smoothly on the day.

Throughout this term all of our students will be doing assessment tasks and exams which form the basis of the semester one reports. I would encourage all students to develop a study timetable and to do their best for every task. We do have support available for students through contacting their class teacher or year adviser.

To all of our students, keep working hard, and reap the rewards.

Erica Lyne
Principal

MHS ATHLETICS CARNIVAL

Our annual athletics carnival was held on Tuesday, 17 May. With excellent weather and outstanding participation rates, the day was very successful.

The students were well-behaved and enthusiastically cheered on their housemates. The house spirit and passionate display of house colours from the students and staff was remarkable. A special thank you to the senior students who put in the extra effort for their final school carnival.

A big thank you to all the staff members for their assistance on the day, allowing the carnival to run smoothly and effectively. Macksville High School would also like to express our appreciation to Richie Donovan for inviting us to make use of the Buzz Brazel Oval for our annual athletics carnival.

All students should be pleased with their efforts and should be congratulated on their high level of participation and excellent sportsmanship. There were a large number of talented athletes on the day who advanced onto the Nambucca Zone Athletics Carnival on Thursday, 9 June.

Aaron Parker
Sports Organiser

Total House points:

1 st place – Briner	1114 points
2 nd Place – Taylor	1095 points
3 rd Place - Oxley	838 points
4 th Place - Graham	815 points

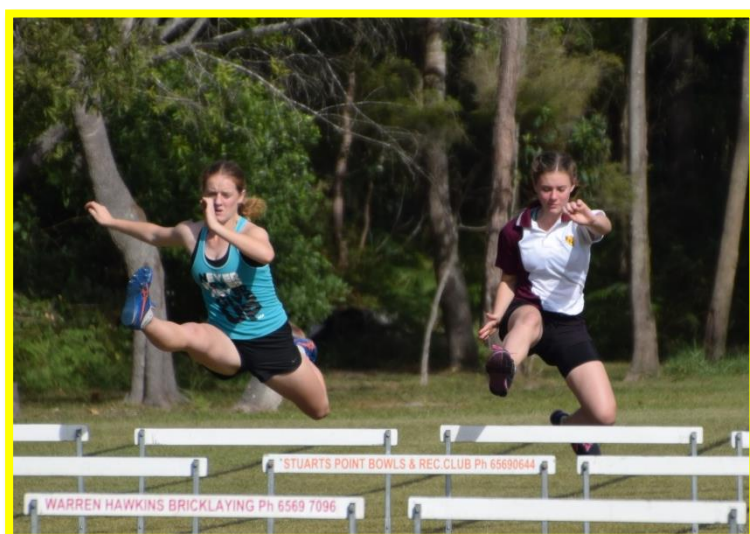

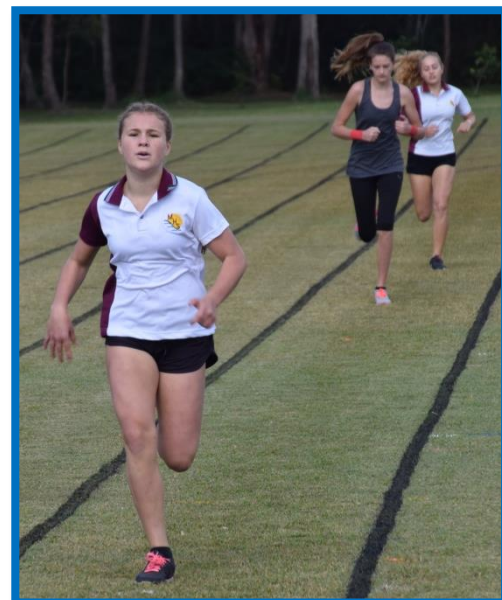

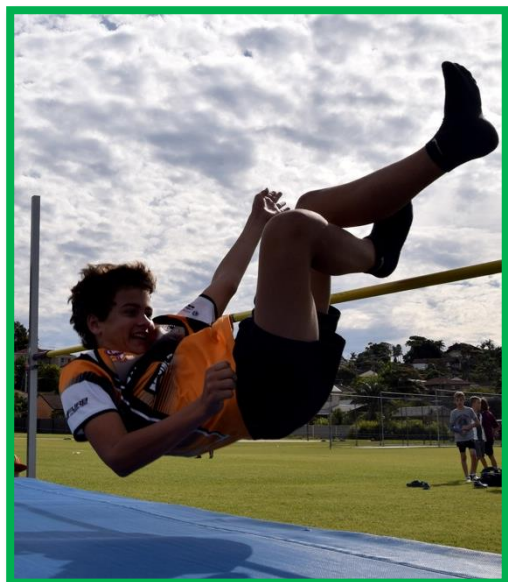

The age championships on the day were:

Year Group	Girls	Boys
12 Years	Abby Baxter (<i>Carnival Champion</i>)	Trent Clews
13 Years	Tiajuana Rosser	James Hamer
14 Year	Astrid Smith	Logan Jones
15 Years	Amy Martin	Blake Brunsdon
16 Years	Colette Vernon	Adam Nowland
17 Years	Jocelyn Pedrola	Chris Power
18 Years	Peta Salter	Harry Elson

Records broken on the day included:

Age Group	Event	Student	Record
12 years Boys	800 meter	Noah Thompson	3:04.40
15 years Boys	100 meter hurdles	Blake Brunsdon	16.81
18 years Girls	100 meter hurdles	Sophie Crowley	18.44
16 years Girls	Discus	Mikaela Donovan	55.52m
18 years Boys	Discus	Alec Gage	39.60m
18 years Boys	Javelin	Lawrence Vernon	50.28m
18 years Girls	Long Jump	Sophie Crowley	4.70m

ATHLETICS CARNIVAL IN PICTURES

SCHOLARSHIP SHOUT OUT

Congratulations to senior students Grace Single, Callum Caesar, Layla Maloney and Brittany Williams on their scholarship success!

Grace and Callum of Year 11 have been awarded with an Indigenous HSC program with RMS – Roads and Maritime Service. They will be funded during studies and have been given the opportunity to participate in work placement at Sydney in a sector of their choice at RMS.

Next July, Layla and Brittany will be attending the UNSW Indigenous Winter School's Performing Arts program. This year approximately 200 students across NSW applied for 100 potential positions. Layla has also been participating in the Indigenous HSC program with RMS.

Macksville High School is very proud and to top it off, all of our applying students were chosen. They are very excited and we commend them.

We wish you all the best in your endeavours!

Brittany Atkins
TEACHER

BIGGEST MORNING TEA

Macksville High School staff members raised \$198 for the Cancer Council at their Biggest Morning Tea on Friday, 27 May. Staff from each faculty shared a plate, and a representative from the Teachers' Mutual Bank donated two raffle prizes.

Thank you to all who supported this fundraiser!

Liz O'Sullivan

STUDENTS SHINE AT AIME PROGRAM

On Thursday 12th May, eight MHS students travelled to Coffs Harbour Southern Cross University with Paul Evans, our Aboriginal Education Officer. They took part in a fantastic program called Australian Indigenous Mentoring Experience or AIME. The program involves university students and graduates volunteering to help Indigenous teenagers during their high school endeavours.

AIME's program manager at SCU's Lismore campus explains, "AIME's mission is to work towards education equality where Indigenous students perform and finish school at the same rate as every Australian teenager... What the Australian Institute for Sport is for athletes, AIME is for Indigenous students."

We had a really rewarding day, learning new things about ourselves, life skills and embracing our culture. MHS students look forward to being a part of the next AIME day!

REFILL & REHYDRATE @ SCHOOL

Macksville High School has been successful in applying for the Refill & Rehydrate @ School Grant. The grant is funded by NSW Health and it will provide \$1000 to purchase appropriate tapware to retrofit existing bubbler taps. This will create more places around the school where students can fill their water bottles up. The SRC are currently investigating the best locations for the new taps.

Larissa Atkins
SRC CO-ORDINATOR

LEGACY LUNCHEON

The Year 11 Hospitality students hosted the Legacy Luncheon on Thursday 26th May in the school hall. Under the guidance of their teacher, Mrs Larissa Atkins, they prepared and cooked some delicious meals which were devoured by the 52 guests who were in attendance.

They began with a choice of tomato or pumpkin soup, followed by either a steak and mushroom or vegetarian pot pie with potato au gratin, or a chicken breast wrapped in prosciutto filled with brie, spinach and sundried tomato served with beans, carrots, kumara mash and an optional pesto sauce. For dessert there was a choice of rhubarb and apple crumble or tiramisu served with ice cream and cream.

There were a few logistical obstacles to overcome, one being the distance from the kitchen to the hall. However, the students rallied together and with the assistance of Mrs O'Sullivan, managed to plate up the meals on the stage behind the curtains!

The Mayor for the Nambucca Shire, Rhonda Hogan, gave a short speech and made a toast to the wonderful work being done by the Legatees in supporting the dependants, especially children of those who served their country, who gave their lives or health in the course of their service.

Liz O'Sullivan

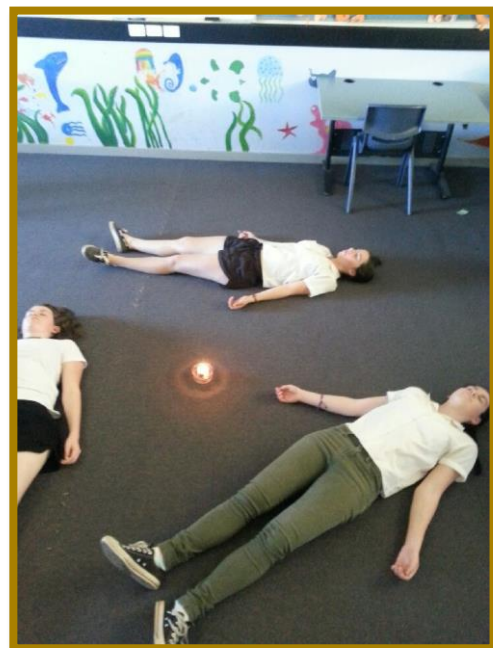

RELAX - REWIND - RENEW

Louise Beisler – Friday counsellor – is offering a quiet ‘Chill Out Zone’ for senior students in the second half of lunch every Friday. Year 11 and 12 students are starting to feel the pressure associated with the heavy workload and the approaching HSC, and may benefit in many ways from learning to practice relaxation and mindful meditation. When practiced regularly, these techniques are believed to reduce stress and anxiety. Self-esteem is often improved as the students learn to sit quietly with themselves and learn to solve problems from within.

Many techniques will be shared over the coming weeks, some on CD and some will be counsellor directed. To date, we have done general muscle tensing and relaxing, body scan, letting go of intrusive thoughts and breathing activities. Visualisation, guided imagery, mindfulness focusing and mindful walking techniques will be shared. Ten students have joined in so far and have been participating fully and respectfully. A life skill to be enjoyed, we hope?

Louise has been trained in relaxation and mindfulness techniques for years having worked for Young Persons Mental Health, and has seen the benefits to her clients. Mindfulness is based on an ancient Buddhist practice and has been adapted to living in harmony with oneself and the world. It is now widely used in mental health.

NSW COMBINED HIGH SCHOOLS RUGBY TRIALS

Year 12 student, Jake Steward, recently trialled at the NSW Combined High School Rugby Union trials in Camden South. The North Coast team finished in eighth place in NSW with Jake performing extremely well in all games (Sydney South West, Western, North West and Sydney North West). His tackling in defence and scrummaging were key features of his excellent gameplay. Jake was a great ambassador of Macksville High and displayed outstanding sportsmanship both on and off the field.

I am very proud of his efforts!

STAR MERIT PHOTOS

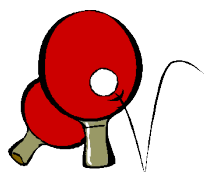

SPIN IT TO WIN IT!

On Tuesday May 31, Alex Bonser, Alec Gage, Will Robertson and Lawrence Vernon represented Macksville High School in round 4 of the North Coast Zone Table Tennis knockout. They versed Coffs Harbour Senior College and won all 6 singles and doubles matches. The boys now qualify for the regional final against Kingscliff High School in early June.

Congratulations to all boys involved and best of luck for your regional final!

TEAM MANAGER

BILL TURNER U/15s SOCCER REPORT

BOYS

Macksville High School under 15s Boys recently competed in the Bill Turner Cup, a state wide soccer competition. It was a home game played at Macksville Soccer Club and the opposing team came from Bellingen. The home team was somewhat inexperienced but what they lacked in game time they more than made up for in enthusiasm and stamina.

The game started well for Macksville with the Bellingen boys confused and rattled by our unorthodox style of play.

A solid defensive line held the onslaught at bay, with strong efforts from players such as Kaine Watson, Calijah Craig, Ryan Atkins, Cody Rofe, Rhys Ferguson and Will Douglas. While up front, ever dangerous attack, were Blake Brunson, Jack Rogan and Jack Burt. They wreaked constant havoc. To steady the ship in the middle of the park there were the dazzling skills of Kamden Walker, supported well by Blake Howle, Arjae Pritchard and Mitchell Williamson-Roe. At goal keeper, one of the standout performances of the day was achieved by Jordan Moore, who showed high levels of agility and fearlessness to stem the flow of goals.

In the end the score did not reflect the closeness of the match, with the Macksville boys going down 9 – 1. Although it wasn't the best result, the game was played with a very positive spirit and this was indicated by the smiles on all the boy's faces.

GIRLS

This game the girls ran onto the field with minimal training sessions and only 11 players. Based on last year's results against Bellingen, they knew it was going to be a tough defensive game, especially with no substitutes. Each of our experienced players had a hard leadership role in directing our inexperienced players around the field which I commend them for- it's not easy for these girls to boss around their peers. Sasha Frost held up the back line with Kayla Turner, Charlize Blair and Jazmyn Horne.

Johanna Walsh was everywhere we looked, directing the midfield with Mallee Goldrick, Ryleigh Freeman, Dakota Fuller and Tayla Graham as an attacking midfielder. Sophie Wicks was up the front waiting to seize opportunities to move the ball forward with Johanna. Of course a big thanks to Kate Single for stepping in to be goal keeper for the game. The girls excelled in maintaining a positional formation and a high level of team morale and sportsmanship was displayed from those representing MHS on the day. Unfortunately, the opposition was too strong and the game was lost 7-0. I am however pleased to note the improvement upon last year's Bill Turner results (15-0). We are getting there girls!

Finally, our gratitude goes out to the ongoing support of the Moran family at Macksville Soccer Club who not only allowed us to play on their grounds but opened the canteen and assisted in officiating too.

ZONE CROSS COUNTRY REPORT

On Friday, 27 May twenty-seven Macksville High School students travelled to Kempsey to compete in the Lower North Coast Cross Country race. More than half of the students that went to compete on the day have qualified for the North Coast Cross Country race in Murwillumbah on Friday, 17 June. Three of our students were also age champions on the day which is a very high achievement. These students were Trent Clews, Johannah Walsh and Harry Elson. Good luck to all of you!

I am very proud and congratulate all students on their fantastic efforts and excellent behaviour whilst representing Macksville High School. I would also like to thank Jocelyn Pedrola and Tyler Watts for their efforts as helpers on the day.

As always, we would like to acknowledge and extend our gratitude to the parents who drove and accompanied students for the day.

DIGGING UP THE PAST

Year 11 Modern History students have been examining antique coins and cap badges. Their teacher, David King encourages them to find and document historical artefacts. 'Primary sources are the foundation of historical research', he said. 'They bring history to life. I trawl through weekend markets in search of old books, coins and artefacts. The silver coins and army badges are European and American, and were all bought at second hand markets in the Nambucca and Bellinger Valleys.'

David King
TEACHER

IMPORTANT DATES - YEAR 10 INTO YEAR 11 SUBJECT SELECTIONS

6 June	Student Information Day – Period 1 and 2
21 June	Parent Information Evening – Hall – 6.00 pm
27 June	Subject selection will need to be back
17 – 18 August	Interviews will be held (more information to come)
24 – 25 August	Interviews will be held (more information to come)

Like our facebook page for latest information and key dates 'Macksville High School Careers'

YEAR 10 INTO 11 SUBJECT SELECTION HANDBOOK

The 2017 10 into 11 subject selection handbook has now been distributed to students. If your child was absent it is vital that they visit the careers office to pick up a booklet and receive any important information they missed in preparation for their senior studies. The parent information night is being held in the hall on June 21, 6pm. Upon completion of the information night, subject selection will be available online. Bookings for subject interviews will also open on June 21. Between now and then is a fantastic opportunity for discussion around future aspirations and subjects that will best suit your child in achieving the best possible educational outcome.

UNIQUE STUDENT IDENTIFIER (USI)

Every year almost four million Australians build and sharpen their skills by undertaking nationally recognised training. All students doing such training need to have a Unique Student Identifier (USI). This includes students doing Vocational Education Training (VET) when they are still at school. The USI is a reference number made up to ten number and letters that:

- creates a secure online record of your recognised training and qualifications gained in Australia, even from different organisations
- will give you access to your training records and transcripts (available in mid-2016)
- can be accessed online, anytime and anywhere
- is free and easy to create and
- stays with you for life

To find out more, please visit: <https://www.usi.gov.au/students>

PARENT INFORMATION

PARKING AND PICKING UP STUDENTS

Parents and carers please be aware of the restricted parking times and bus areas outside the front of the school in Boundary Street. Fines have been issued recently to parents dropping off and picking up students.

Bus zone times in front of the school are 8.00 am - 9.00 am in the mornings and 2.30 pm – 4.00 pm in the afternoons. Parking across from the front of the school is prohibited 8.00 am – 9.00 am in the mornings and 3.15 pm – 4.00 pm in the afternoons.

ONLINE PAYMENTS

Parent online payments will be available by accessing a link on our website. The set date for this link to be live is 10 June. Permission notes for excursions, activities, etc., will in the future have a reference payment to use. For current excursions, please be very specific for what you are paying for in the reference area. If paying school fees, please use the description on the invoices sent out Term 1. Further instructions can be found on the school's website.

NEW PROCEDURES FOR BUS PASSES

Bus pass applications (for new enrolments and change of address) are now to be completed online instead of using paper forms through the following link:

<http://www.transportnsw.info/school-students>

If you do not have access to the internet, the contact phone number is **131 500** where you will be assisted with completing a phone application.

MINDMATTERS SURVEY REMINDER

MindMatters is a mental health initiative for secondary schools that aims to improve the mental health and wellbeing of young people. It is based on the principle that the best mental health strategy is one that prevents issues from arising in the first place. For this reason MindMatters helps schools promote positive mental health through the whole school community, and aims to prevent mental health difficulties in students by taking steps to improve relationships and resilience.

Data is invaluable in building a mental health framework at Macksville High School. Your input is imperative so please complete the survey so we can identify what we do well and which areas of student wellbeing need additional support and resources.

The Mind Matters survey aims to ask parents questions about mental health, student wellbeing and the school environment prior to implementing the program within our school. The results set a baseline then we will resurvey at intervals throughout the year to measure our progress and identify areas of need.

Please complete the survey at the following link. The survey is anonymous and your participation and feedback is greatly appreciated.

<http://www.mindmatters.edu.au/surveys/survey-start?id=parent-family-survey---907-586478a882584aa3b615>

PARENT INFORMATION

KEEP KIDS SAFE: #parentscheckthecheck!

Parents or carers who engage the services of a private tutor or coach have an important role to play in helping to keep their children safe.

From **1 April 2016** adults who provide private tuition or coaching services to children will need to obtain a new Working With Children Check.

The Certificate for Self Employed People will no longer be valid after their expiry date and the certificate holders will need to apply for a new Working With Children Check.

Parents or carers should ask their child's tutor or coach for their name, date of birth and their Working With Children Check number.

They must then go online and verify the tutor or coach is not barred from working with children in NSW.

Verifying that a tutor or coach can work with children is quick and easy – just follow the simple steps at www.kidsguardian.nsw.gov.au/parentscheckthecheck

If you suspect that an adult is providing services to children without a Working With Children Check you can go online to make a confidential report or phone (02) 9286 7219.

Help to keep kids safe by sharing **#parentscheckthecheck** with your family and friends through your own social media networks.

ABSENCES

A reminder to please respond promptly to the schools SMS' advising of absences and partial absences to avoid any unexplained absences on your student's records.

DRIVING STUDENTS TO EXCURSIONS AND SPORTING EVENTS

There is a new Statutory Declaration to complete, which has to be witnessed by an 'authorised witness', for parents/carers volunteering to drive students to excursions, sporting events, etc., along with a 100 point proof of identity (even if you have a Working with Children Check number as we still have to comply with the Department of Education's policy on child protection). This only needs to be completed once while your student remains at MHS. We also need to sight the originals of your licence and registration papers.

While we are very grateful for our parent/carers helpers, and appreciate that there is often late notice involved with arrangements, it is a legal requirement that the school will have the correct paperwork **fully completed** before the excursion/event. If you have already completed a previous Declaration, you will not be required to complete this new Statutory Declaration but may need to update your licence and registration details when you next volunteer.

VISITING THE SCHOOL

All visitors (including parents), are to present at the reception area in the school's office. Please do not enter other buildings/rooms without gaining permission to do so.

2016 PROGRAMS

BLUE STAR

BLUE STAR is a youth development and leadership program created by PCYC to assist in creating "young leaders for tomorrow" in our local communities. The program gives practical, real-life skills that young people can apply to work and family, helping them on their way to becoming great community leaders.

CITIZENSHIP

Citizenship is your first step in your leadership journey with PCYC NSW! By committing to complete our Citizenship level, you will be required to attend two camps (dates below) and complete a minimum of 20hrs of volunteering at your local PCYC in between. On completion you will receive your First Aid Certificate, a Certificate 1 in Active Volunteering, as well as have the opportunity to complete your Duke of Edinburgh Award - Bronze level.

CITIZENSHIP - SUMMER GROUP	
CAMP 1: 18 - 21 Jan - Myuna Bay Sport & Rec	CAMP 2: 11 - 14 Apr - Sydney Academy of Sport
CITIZENSHIP - AUTUMN GROUP	
CAMP 1: 11 - 14 Apr - Sydney Academy of Sport	CAMP 2: 4 - 7 Jul - Myuna Bay Sport & Rec
CITIZENSHIP - WINTER GROUP	
CAMP 1: 4 - 7 July - Myuna Bay Sport & Rec	CAMP 2: 26 - 29 Sept - Myuna Bay Sport & Rec

2016 BLUE STAR LEADERSHIP GROUP

Leadership is the next level of your leadership journey with PCYC NSW. By committing to our Leadership level, you will be required to attend 3 camps (dates below) and complete a minimum of 30hrs of volunteering at your local PCYC in between. Leadership gives you the confidence to become a young leaders within your community and gives you the tools to develop and lead an activity within your local club.

CITIZENSHIP - SUMMER GROUP	
CAMP 1: 18 - 21 Jan - Myuna Bay Sport & Rec	CAMP 2: 11 - 14 Apr - Sydney Academy of Sport
CAMP 3: 4 - 7 July - Myuna Bay Sport & Rec
